Omschrijving

Jamie Oliver and Tefal make the perfect food pairing. Jamie brings the passion and food knowledge; Tefal provides the technology and performance. Together they've proudly made quality, trusted products for nearly two decades that make cooking from scratch a real joy. They're the smart choice for feel-good food. "Now here's a super-useful trio. Use your versatile Chef's knife to effortlessly chop seasonal veg, quality meat, lovely fresh herbs and so much more. Your precise little Paring knife is brilliant for cutting and slicing fruit and veg, and you'll use your Utility knife every day, for chopping fruit for breakfast, prepping veg for your lunchtime salad, or rustling up a quick midweek meal. Let's get cooking!" Jamie Oliver
