Omschrijving

Thomas Loft Colour - Moss Green Coffee cup - Cylindrical - Ø 6,8 cm - h 7,2 cm - 0,210 l, Porcelain

Loft by Rosenthal with a colourful makeover in scandinavian-inspired glaze colours "Moon Grey", "Ice Blue" and "Night Blue". Depending on the thickness of the glaze, various shading effects are created on the finished fired product. This gives each product an individual and handcrafted look.

The Scandinavian-inspired glaze colours "Moon Grey", "Ice Blue" and "Night Blue" give a fresh naturalness to the modern shape Loft by Rosenthal and can be perfectly combined with Loft White.
